## MANAKATA

"years together"  
with Sisters,  
and friends  
to help us  
bring happiness  
to us at Holy Names.

## MANAKATA SYMBOL

The upper triangle  
symbolic of the hand  
outstretched in welcome —  
offering us help —  
beckoning to Right Paths  
giving friendship.

The lower triangle  
a symbol of the heart  
love of beauty —  
joy in accomplishment  
of purpose —  
fondness for friends —  
loyalty to principles.

The round disk — Sun!  
Light of intellect —  
illumination of the work of hand,  
the happiness of heart  
Spokane, Land of the Sun —  
the friendly city.  
Sun — Son of Justice,  
bringing to the world  
light — hope — salvation  
God!

Frances Moran, '40.

To the many chaplains throughout the world who are so valiantly protecting the spiritual life of our boys in uniform, to the innumerable works of mercy which they are performing on far-flung battlefields, to the ideals which they uphold midst the horrors of war, we proudly dedicate this, the fifth memoir of our "Years together."

May God in His beautiful clemency, through the intercession of His Mother, the Immaculate Queen of Peace, the patron of our Manakata, aid these military Apostles of Christ in their overwhelming task of leading fighting souls to their ultimate glory.

## WORDS OF WISDOM

"The experience of the ages shows that the most powerful human agency in all the world for the promotion of human welfare is neither civil government nor economic systems nor schools, even the most perfect, but those Christian homes where parents are faithful to their sacred responsibilities toward their children. Where parents do their full duty, the cells that constitute the social body are sound, and consequently society itself, the state, is sound and reacts for the welfare of all the individuals and groups that compose it.

"There is no real substitute for the Christian home, just as there is no substitute for Christian education. And Christian education is possible only when the Christian home and the Christian school co-operate, each with the other. Christian education alone can produce the character that is essential for walking righteously before God and men. To see that the rising generation receives that all-important training is a responsibility that rests squarely upon parents, a responsibility that can be shifted to no one else. Great and wonderful is the dignity of parenthood, and correspondingly great are its responsibilities."

Excerpt from the Official letter of  
His Excellency, Most Reverend Charles D. White,  
Bishop of Spokane, February 18, 1944.

## A MESSAGE

"Everyone therefore who hears these my words and acts upon them, shall be likened to a wise man who built his house on rock. And the rain fell, and the floods came, and the winds blew and beat against that house, but it did not fall, because it was founded on rock." — Matt. VII, 24-26.

It is the hope and prayer of every member of the Faculty that the graduates of '44 may exemplify the Master's teaching preceding these, His words. Thus the structure of their lives will stand secure and strong through these uncertain times reaching their fulfillment under the standard of Jesus and Mary.

## CIVILIAN DEFENSE

Holy Names students have been eager to do their part for "The Land of the Free" this year as always. Under the able guidance of Tri-A, the classes entered wholeheartedly into the nation-wide paper drive.

Above the girls are shown loading their first week collection. "Five tons in five days" was the caption used by the Spokesman-Review for this picture which appeared on its front page.

Our Bond Drive was a great success with each class reaching more than full quota.

However efforts found most effective and perfect expression in the Academy Spiritual Defense Corps, an organization whose forceful weapon is prayer combined with good works offered DAILY that God's grace may flow in abundance on the apostolic work of our chaplains among the boys in battle, camp or hospital.

## THE RED CROSS

The face of War is terrible  
For human eyes to see  
It takes its toll, unbearable,  
In high mortality

While man must leave his loved to fight  
On battlefields of stress,  
It is the woman's harder part  
To bear the loneliness,

And yet it is the woman's part  
To keep the homefires warm  
"He also serves who — waits." A bright  
Red Cross upon her arm

Winnona E lerton

Early in the school year we enrolled in the Junior American Red Cross and have readily responded to their requests for aid by contributing afghans, hospital tray favors for Christmas, Valentines, and St. Patrick's day, ket bags, pillow slips, hot water bag covers, cartoon books, and classic novels. Not the least of our undertakings was the collection of approximately 2,000 coat hangers which were sent to Baxter General Hospital. Five hundred inspiring holy pictures have been mounted and distributed among the boys in the service.

Encouraged by our success in this organization and the knowledge that we are assisting in the war effort many of us hope to continue in this admirable work.

## FACULTY

We, the students of Holy Names Academy, 1943-44, wish to express our deep gratitude to you, Sister Mary Joan, Superior, and the entire faculty, for all that our Alma Mater has given us during these "years together."

To Reverend John W. Dunne, S. J., who has devoted himself untiringly that we may "know the only true God and Jesus Christ Whom He hath sent." We owe a debt which we are unable to pay except by the worthy lives we hope to live.

And I saw a very fine lion. Two gentlemen were at the wheel. It was Ann Crockett. She says she would rather drive a Buzz than a "Wagon" way drive. It was followed directly behind her were Nancy Smith and Francis [unclear]. Francis is only 10 years old and is by the Thompsons. He is as a "langer" who should be sitting in the back. I remember that Mary Crockett was with them. I saw a lioness with a lion. The lady said she had tamed the lion, well, she has tamed him and has he settled down!

## SENIORS

Dear Girls:

We, the class of '44, hope that you, the classes of '45, '46, and '47, enjoy your years of high school together as much as we have and especially your Senior year. Here are some of the events that made our Senior year so much fun:

November — "Autumn Whirl"

December — Sportsmanship Banner tenth time

February — Senior Prom

March — Sportsmanship Banner eleventh time

May — Senior Skip, Baccalaureate; Recollection Day; Commencement

We look back on our four years together — regretful to leave — grateful to remember.

## JUNIORS

Dear Students

Remembering our third year together, the Junior class looks back on the "red letter days" that made the year such a great success

December 3 — We won the Volleyball Championship

February 16 — We gave the "Annual Ambler" afternoon Mixer

February 29 — Our class won the Paper Drive Contest sponsored by Tri-A

March 30 — We won the Basketball Championship

April 12 — We were awarded the "Be on Time" Banner

April 14 — The Daisy Doodle night Mixer was given to raise funds to the Monakata

May 9 — With the close of the school year, our final triumph was the Junior-Senior Banquet

Looking forward to our Senior year together

## BIOLOGY CLASS

Nutritive experiments on rats led this year's Biology activities. The students have acquired a thorough knowledge of the affects of vitamin A, D, and protein deficiencies on the human body

Among other interesting undertakings were taxonomic classification, comparative anatomy, and an intensive study of bacteria. Assuredly all who delved into the subject eagerly anticipate further exploration in the broad field of science

Extra curricular activities that have won much acclaim from all the girls are the sub-  
 ject sports. Particularly popular are the games of basketball and football.  
 Many girls have been known to enter the basketball team, and the football  
 team has been known to have girls on it. It is a very exciting time for  
 the school when the girls are going to be undefeated. Generally the girls

## CATHOLIC ACTION GROUP

During this past year our Catholic Action group has accomplished much in the fulfillment of its two-fold purpose, personal holiness and the propagation of the Faith.

Personal holiness has been the main objective since we know that without it we cannot reach our ultimate goal — heaven, and because we cannot hope to inspire virtue in others if we do not possess it. Frequent and fervent visits to the Eucharistic King, efforts to make mental prayer, study and discussion of our Holy Faith have been some sources from which we have sought God's grace.

Each student has contributed to the "propagation of the Faith" and worked tirelessly in securing subscriptions to the Catholic literature not only during the very successful Catholic Action Week but throughout the year. One of the highlights of the year was our assembly to honor His Holiness Pope Pius XII, and the presentation of a Papal Mass by the student body by the Freshmen.

Our most valued accomplishment was the formation of the Catholic Action Spiritual Defense Corps, the aim of which is to offer prayer and sacrifice to obtain abundant grace for our chaplains in their zeal for souls.

Dear Girls

H. N. A. spirit of 1943-44 has been the best ever. This exceptional attitude is due in no small measure to the up right character and inspiring leadership of our Student Body President, Kay Codd, who has lived the principles she has voiced.

One of our first activities was the organization of the Junior Red Cross after the visit of Mrs. Manchester and Mrs. Wright in October. We know the satisfaction which was ours as each of the many projects for bringing comfort to our boys in the camps or hospitals was completed.

What a great success was our War Bond Drive both in the grand total for the school and the hundred per cent and more of each class. Our school year was highlighted by the visit of Major General and Mother Mary Eleanor and punctuated by the many enjoyable mixers and entertainments given for our "Manakata."

The dramatic talent of our girls was proven in the Christmas tableau, the Rosary and Book Week and Vacation plays, and of course, the many skits presented throughout the year.

Undoubtedly the past year has been a most profitable one and we wish to thank the faculty for all their generous help, and the students for their wholehearted cooperation.

Sincerely yours

Once on a very long time ago  
In the land of ne'er do well,  
In the forest green, where rivers flow  
Did the Silken Dragon dwell.

Not fierce and ferocious but slow and mild,

He smoothed a scent and softly smiled  
In a most undisturbed way

While strolling one day at the river's edge  
He saw a lady-love below  
But a lady-love below a  
She smiled demure and sweet.

She had a coat of finest sheen
